1. I have not given you an office, I have given you the world. I have given you My word, I have given you My words. I have given you My spirit. I have given you My power. I have given you My authority. I have given you My face. I have given you My hands. I have given you My work, My works, Me, coming through you, My craftsmanship, My body, My blood, My resurrection, My livening power, emotionalizing the dead, dry bones living again. I love you. My body comes to life now. My body comes to life in temples many, temples made with hands, temples not made with hands, temples many, multitudes, multitudes upon multitudes now come to life, candles turned on, candle power lit, supercharged by only Me.
2. My multitudinous many come forth in might and power of only Me. I love you. Giving them to Me you are, you will. Giving Me to them you are, you will, you do. I thank you. I thank you and I bless you and I give you Me unrestricted, unlimited access to only Me to do what I have called you to do: My work, My works, My works done My way, My works done by Me, only Me.
3. That's why you can only do what you see Me doing, else you burn out carrying what you cannot carry. I love you. I love you. Sinew-ing My body you are, I am. We together make a powerful force, My duos, My dynamics, My dynamic jewels. I love you. My twins, My reproductions of only Me. I love you and I give you Me. I give you My power. I give you My friends. I give you My body. I trust you. I trust you with so much. I trust you. I trust you, you trust Me and now I trust you. You trusted Me and now I trust you.
4. And I walk forth in grace and glory with grace and glory before you, opening to you on multitudinous platforms to Me be and share My glory with My body, My Mine, My family, My friends, My of only Me who are ready, willing and able, obedient to Me and only Me. I love you.
5. Hearing My voice they are, they have, they are ready, they are ready to hear My voice through you through Me, Me. My covenant, Me covenant. I love you.
6. I walk on water. I walk on air. Does anything hold Me? Does anything hold Me back? There are no limits in Me. I love you. I give you Me. I give you My power and authority. So long ago I gave My power and authority. Who will embrace Me this day? You, Ted, are you the only one? No, Nay. Many follow in your steps, many follow in My steps, many now embrace Me in the fullness of Me, of who I am, My power and authority, Me coming forth, My church, My temples made with hands, My temples not

made with hands, now culturally influenced by only Me, political correctness of only Me, accuracy-ized by only Me, My eyes upon their eyes, their eyes upon Me, Me raising them from the dead I am. I love you.

7. I come and I call and I confirm that I am in these words and that I am I Am, that I am 'I Am-ing' My body, that I am coming forth in might and power and multitudinous models of only Me; the models that show forth My glory in the mouths which mouth not praises to men but only Me, and know My power, know My power, walk in My authority and be as Me upon the earth bringing Me, Me, Me personified, displayed with My body working together as never before; nuance'd not but mighty in the flesh, mighty in the power of the spirit, mighty in Me; taking back, subduing, walking in meekness of My kingdom, My throne, My body made flesh for all to see and partake and eat if they will. I love you.
